

All Parents,

We will have school this upcoming Saturday.

A complaint letter was received from Churchil Junior High School last week. Some brand new marble notebooks were lost in one of the classrooms. This is a very serious incident, which causes damage of our school reputation and may render our school expelled from the township. I urge that all parents should talk to their child/children about the severeness of the incident. Do not remove any school belongs!!!

Also, a couple of classrooms were not cleaned up after class. There were lots of garbage paper on the floor. The parents who were on duty either forfeit their deposit or re-do the duty. Please discuss the issue with PTA chair.

Our school calendar is changed. Per township notice, the Churchil Junior High School will be shut down on Nov. 7th. Therefore, we will not have school on that day. Please plan ahead for the family activities.

For all players who registered the HUAXIA MIND SPORTS, remember to attend the event this Sunday, Oct. 18th at Bridgewater Chinese School.

See all of you on Saturday.

Best wishes,

Baoqing Ma  
Principal of HXEB (2015-2016)
